

Course Title	THE PSYCHOLOGY OF MOTIVATION				
Faculty	Faculty of Law and Business Studies Dr Lazar Vrkić				
Study Programme	Psychotherapy				
Professor	Veljko J. Đurić, full professor		Contact (e-mail address)	veljko234@yahoo.com	
Code		Course level	Graduate (MA)	ECTS credits	8
Description (max. 100 words)	Motivation is a complex psychological construct by which we explain processes that initiate, manage and maintain human behavior. The aim of this course is to present basic concepts, research methodologies and practical results of understanding human motivation from different theoretical perspectives (physiological, psychological and social).				
Learning outcomes (max. 50 words)	Students will get to know how a scientific approach explains our desires, needs, and aspirations. They will learn how to use literature resources, how to select and present challenging topics in the field of motivation, and how to lead a structured discussion of relevant empirical research.				
Semester	4		Maximum number of visiting students		
Language	Serbian		Available for international students (YES or NO)	YES
